

Screening, Brief Intervention, and Referral to Treatment (S•BI•RT) LEARNING OPPORTUNITIES

S•BI•RT is a comprehensive, integrated, public health approach to the delivery of early intervention and treatment services for persons with substance use disorders, as well as those who are at risk of developing these disorders. Primary care centers, hospital emergency rooms, trauma centers, and other community settings provide opportunities for prevention and early intervention with individuals at greater risk before more severe consequences occur.

A variety of training opportunities are available that will increase your knowledge and skills to successfully implement S•BI•RT. Trainings can be tailored to your practice or program, and coordinated with regard to time, place, and length of training session. Each learning activity offers you tips, tools and resources to efficiently and effectively train your staff on their role with S•BI•RT and fully adopt all aspects of S•BI•RT.

S•BI•RT RESOURCES AVAILABLE THROUGH THE CENTER FOR EXCELLENCE

Workshops: In-person tailored training for your team to help your practice overcome implementation barriers. Topics include:

- » S•BI•RT 101: Overview of the components and why they are important
- » Advanced S•BI•RT Implementation
- » Screening for Medical Assistants
- » Brief Intervention, Parts 1 and 2: Focus is based on skill level and may include:
 - » basic concepts of providing a brief intervention in response to a positive screening
 - » strategies for engaging patients in a conversation that motivates them to reduce their risky use of alcohol or drugs, and/or
 - » interactive skill-building using role-play and case studies

Technical Assistance: In-person and web-based assistance to support S•BI•RT implementation.

Resources: **SBIRTNH.org** is a searchable website with evidence-based resources and tools including:

Webinars: A full listing of recommended current and recorded Web-based learning opportunities

Screen and Intervene: NH S•BI•RT Playbook: A step-by-step instruction manual on implementing S•BI•RT, including lessons learned for implementing in New Hampshire.
